Guillaume Gelot

***SPACE MACHINE***

January 24th - March 1st, 2015

Opening Reception: Saturday, January 24th, 6-8PM  
711 Warren Street, Hudson, NY

Retrospective is pleased to present new works by Guillaume Gelot. For this exhibition Gelot expands on a series of grid paintings that explicitly explore units of measurement as content. These black grids self referentially co-opt information systems as composition, that are at once specific yet universal, speaking to painting's indebtedness to wall space while satirically attempting to mediate the void.
